**Fine Structure**

Burglar Alarm Non-Permitted Location: One (1) alarm call at no charge with warning to have alarm permitted. All success alarm calls subject to citation and fine up to \$500.00 per alarm call.

Hold-Up Alarm Non-Permitted Location: One (1) alarm call at no charge with warning to have alarm permitted. All success alarm calls will have a fee of \$50.00 per alarm call.

Permitted Locations: The first five (5) false alarm calls are at no charge. The second five (5) alarm calls are \$50.00 per false alarm call. Permit subject to revocation after the tenth (10) false alarm call.

Sec. 22 – 33. Permit required.

- (a) It shall be unlawful for any person to operate, cause to be operated or permit the operation of an alarm system upon property or premises under his control unless a current permit has been issued by the city for such system.
- (e) The police department will respond only once to an alarm that has no permit on file with the city according to the provisions contained in this article, except that the police department will respond to hold-up alarms even if no permit is on file. After the initial response, the alarm system owner will be given notice of the requirement for an alarm system permit.

A false alarm is defined by the city ordinance as “the activation of an alarm system which is not the result of an emergency or threat of emergency for which the alarm was designed to give notice and for which the responding police officer finds no evidence of any criminal activity. The term "false alarm" shall include activation of an alarm system through mechanical or electrical failure, malfunction, improper installation or the negligence of the owner or lessee of an alarm system or of their employees or agents.”
